

An Introduction to *Transformational Ministry*

Tuesday, September 14, 2010
Immanuel Lutheran Church
Escanaba, Michigan
6:30 p.m. - 8:30 p.m.

*Growing communities of faith who make a difference
in the lives of people and the communities
in which they live.*

What will be offered:

- Learn about what Transformational Ministry is and what it is not.
- Hear about what's involved in the process of Transformational Ministry.
- Listen and ask questions as representatives from congregations who have participated in Transformational Ministry share their stories.
- Receive the next steps in discerning whether Transformational Ministry is for your congregation.

Who ought to attend:

- The Introduction to Transformational Ministry is most effective for congregations if four to six representatives, along with the pastor, attend one of these gatherings. Gather as many as you want and bring them all along! All are welcome!
- It seems to work the best if there is a mix of council and congregation members, female and male participants, and a range of ages.

Let us know who is coming:

- Call the synod office (906.228.2300) to provide the name of your congregation and who will be attending.
- Email the synod office at ngls@nglsynod.org with a list of people who will be attending and the congregation you represent.

Cost:

- There is no registration fee for this event. It is **FREE!**
