Special Offer from Vanco for New Sign-ups

Through the first six months of 2020, more than 500 ELCA congregations have added online giving. It is estimated that more than half of ELCA congregations offer some form of online giving. However, there are still many congregations who remain uncertain about the cost. Recognizing this concern, Vanco is offering a special promotion below the exclusive ELCA congregational rate of 2.35% for debit/credit transactions.

For congregations that start online giving between July 15 and August 30, the special rate will be 1.75% for all debit/credit transactions. This rate will apply on all debit/credit transactions through September 30. The rate for debit/credit card transactions will be 2.35% starting on October 1. Remember there is no setup cost and no monthly fee with Vanco. To learn more contact Vanco directly at 800-675-7430.

Vanco offers new online giving option for ELCA congregations

CHICAGO (Feb. 19, 2019) – The Evangelical Lutheran Church in America (ELCA) has formed a preferred vendor agreement with Vanco, an eGiving software developer and payment processor serving more than 20,000 churches across the country. The agreement offers Vanco's GivePlus suite of eGiving solutions to ELCA congregations.

The ELCA churchwide organization has sought new working relationships with companies that serve ELCA congregations. Vanco has proven its commitment to the ELCA over the last 20 years by processing payments for nearly 4,000 ELCA congregations.

Preferred vendor agreements with a few select companies are being pursued to enhance operating efficiency, leadership effectiveness, congregational vitality and financial sustainability. Special pricing, communications and promotions will accompany each agreement.

Vanco's GivePlus suite provides churches with a full range of eGiving solutions, allowing congregations to accept gifts and payments through credit and debit cards, websites, card readers, text messages and a mobile app.

As part of the agreement, ELCA congregations will receive special discounted rates from Vanco on new or additional GivePlus eGiving services.

Vanco makes handling donations easy for church administrative staff and offers churches new ways to increase donations by making it convenient for members to donate. GivePlus also integrates with the most popular names in church management software to reduce the amount of time spent on reconciling offerings.
