Building Men for Christ Workshop Frequently Asked Questions

Why should you attend this Workshop?
• Most congregations have fewer men in Sunday worship than women – sometimes by a 2:1 ratio.
• Young men are the most absent demographic group in our churches.
• Many congregations keep trying the same “programs” to get men involved with no avail.
• Building Men for Christ is a one day team building workshop that will provide tools to prepare a Mission/Vision statement, an initial action plan and the strategies to capture and sustain momentum with the men of the congregation.

Who should attend?
• Men with a passion to help other men have a closer relationship with Jesus Christ.
• The best results are when a team of congregation leaders and staff (male or female) attend with the Pastor (male or female). Pastoral awareness and team participation are essential elements of any effort aimed at bringing change into the congregation.
• Because LMM recognizes the Pastor is a key member of the team, when two or more register from the congregation, the pastor receives a free registration.

How can I sign up?
• Registration Flyer available at www.lutheranmen.org Events/Building Men for Christ Workshop page.
• Registration fee varies by location. Fee ranges between $50-75.
• A limited number of scholarships are available, provided registration is submitted with a written supporting statement of need.

What else will I get?
• The Building Men for Christ is a workshop developed as part of the leadership training resources of the Lutheran Men in Mission. The workshop is taught by experienced presenters from the Lutheran Men in Mission Board and staff.
• Each registrant will receive:
  the Patrick Morley, et. al. book, No Man Left Behind, and
  the Roland Martinson, Paul Hill, et. al. book Coming of Age,
  the Workshop participant workbook.
• Lunch is included in the registration fee.
• Most importantly – you will get the tools and support to begin, or enhance a life changing men’s ministry in your congregation.

How do I get more information?
